

#### § 1480.4

#### 7 CFR Ch. XIV (1–1–02 Edition)

*Rate* means price per unit of the crop or commodity.

*Related condition* means with respect to disaster, a condition that causes deterioration of a crop such as insect infestation, plant disease, or aflatoxin that is accelerated or exacerbated as a result of damaging weather as determined in accordance with instructions issued by the Deputy Administrator.

*Reliable production records* means evidence provided by the producer that is used to substantiate the amount of production reported when verifiable records are not available, including copies of receipts, ledgers of income, income statements of deposit slips, register tapes, invoices for custom harvesting, and records to verify production costs, contemporaneous measurements, truck scale tickets, and contemporaneous diaries that are determined acceptable by the county committee.

*Repeat crop* means with respect to a producer's production, a commodity that is planted or prevented from being planted in more than one planting period on the same acreage in the same crop year.

*RMA* means the Risk Management Agency.

*Salvage value* means the dollar amount or equivalent for the quantity of the commodity that cannot be marketed or sold in any recognized market for the crop.

*Secondary use* means the harvesting of a crop for a use other than the intended use, except for crops with intended use of grain, but harvested as silage, ensilage, cobbage, hay, cracked, rolled, or crimped.

*Secondary use value* means the value determined by multiplying the quantity of secondary use times the CCC-established price for this use.

*Secretary* means the Secretary of the United States Department of Agriculture.

*Uninsured crops* means those crops for which Federal crop insurance was available, but the producer did not purchase insurance.

*Unit* means, unless otherwise determined by the Deputy Administrator, basic unit as described in part 457 of this title that, for ornamental nursery

production, shall include all eligible plant species and sizes.

*Unit of measure* means:

(1) For all insured and uninsured crops, the FCIC-established unit of measure;

(2) For all noninsurable crops, if available, the established unit of measure used for the 1998 or 1999 Noninsured Crop Assistance Program price and yield;

(3) For aquacultural species, a standard unit of measure such as gallons, pounds, inches or pieces, established by the State committee for all aquacultural species or varieties;

(4) For turfgrass sod, a square yard;

(5) For maple sap, a gallon; and

(6) For all other crops, the smallest unit of measure that lends itself to the greatest level of accuracy with minimal use of fractions, as determined by the State committee.

*United States* means all 50 States of the United States, the Commonwealth of Puerto Rico, the Virgin Islands of the United States, and to the extent the Deputy Administrator determines it to be feasible and appropriate Guam, American Samoa, the Commonwealth of the Northern Mariana Islands and the former Trust Territory of the Pacific Islands, which include Palau, Federated States of Micronesia and the Marshall Islands.

*USDA* means United States Department of Agriculture.

*Value loss crop* will have the meaning assigned in part 1437 of this chapter.

*Verifiable production records* means evidence that is used to substantiate the amount of production reported and that can be verified by CCC through an independent source.

*Yield* means unit of production, measured in bushels, pounds, etc., per area of consideration, usually measured in acres.

#### § 1480.4 Producer eligibility.

(a) Producers in the United States will be eligible to receive disaster benefits under this part only if they have suffered 2000-crop losses of eligible crops as a result of a disaster or related condition, or as further specified in this part.

(b) Payments may be made for losses suffered by an eligible producer who is

now deceased or is a dissolved entity if a representative who currently has authority to enter into a contract for the producer signs the application for payment. Proof of authority to sign for the deceased producer or dissolved entity must be provided. If a producer is now a dissolved general partnership or joint venture, all members of the general partnership or joint venture at the time of dissolution or their duly authorized representatives must sign the application for payment.

(c) As a condition to receive benefits under this part, a producer must have been in compliance with the Highly Erodible Land Conservation and Wetland Conservation provisions of 7 CFR part 12, for the 2000 crop year and must not otherwise be barred from receiving benefits under 7 CFR part 12 or any other provision of law.

### § 1480.5 Time for filing application.

Applications for benefits under the 2000-Crop Disaster Program must be filed before the close of business on May 4, 2001, or such other date that may be announced by the Deputy Administrator, in the county FSA office serving the county where the producer's farm is located for administrative purposes.

### § 1480.6 Limitations on payments and other benefits.

(a) A producer may receive disaster benefits on 2000 crop and other crop losses as specified under this part.

(b) Payments will not be made under this part for grazing losses.

(c) The Deputy Administrator may divide and classify crops based on loss susceptibility, yield, and other factors.

(d) No person shall receive more than a total of \$80,000 in disaster benefits under this part, unless otherwise specified.

(e) No person shall receive disaster benefits under this part in an amount that exceeds the value of the expected production for the relevant period as determined by CCC.

(f) A person who has a gross revenue in excess of \$2.5 million for the preceding tax year shall not be eligible to receive disaster benefits under this part. Gross revenue includes the total income and total gross receipts of the

person, before any reductions. Gross revenue shall not be adjusted, amended, discounted, netted or modified for any reason. No deductions for costs, expenses, or pass through funds will be deducted from any calculation of gross revenue. For purposes of making this determination, gross revenue means the total gross receipts received from farming, ranching and forestry operations if the person receives more than 50 percent of such person's gross income from farming or ranching; or the total gross receipts received from all sources if the person receives 50 percent or less of such person's gross receipts from farming, ranching and forestry.

### § 1480.7 Requirement to purchase crop insurance.

(a) Except as provided further in this section, any producer who elected not to purchase crop insurance on an insurable 2000 crop for which the producer receives crop loss assistance under this part must purchase crop insurance on that crop for the 2001 and 2002 crop years.

(b) If, at the time the producer applies for the 2000 CDP the sales closing date for 2001 insurable crops for which the producer sought benefits under the 2000 CDP has passed, the producer must purchase crop insurance for the 2002 crop, but is excused from purchasing insurance for those 2001 crops.

(c) If any producer fails to purchase crop insurance as required in paragraphs (a) or (b) of this section, the producer will be required to refund all 2000 CDP benefits received, or such lesser amount as determined appropriate to the circumstances by the Deputy Administrator.

### § 1480.8 Miscellaneous provisions.

(a) Disaster benefits under this part are not subject to administrative offset provided for in section 842 of the 2001 Act (Public Law 106-387, 114 Stat. 1549).

(b) A person shall be ineligible to receive disaster assistance under this part if it is determined by the State or county committee or an official of FSA that such person has:

(1) Adopted any scheme or other device that tends to defeat the purpose of a program operated under this part;
